Monday June 26,2023

Dear friends and supporters,

I want to express my heartfelt gratitude to all of you for your invaluable support throughout the challenging academic year 2022-2023 in Haiti. Despite the growing insecurity and disregard from officials, our determined students have persevered, and it is all thanks to your unwavering commitment to our mission.

Education is a universal human right, and it is our utmost priority to provide financial assistance to talented but disadvantaged children in rural Haiti. Your generous contributions have enabled us to offer them the opportunity to receive quality education and fulfill their potential.

As we look ahead to the upcoming academic year, 2023-2024, we remain hopeful and determined. Your passion and support are essential to our success, and we invite you to continue making a difference in the lives of these deserving children.

If you would like to sponsor a child and contribute to their education, please visit massillonfoundationeducation.org/sponsor. Your support, no matter the amount, is crucial in helping us create a brighter future for these young minds.

Once again, thank you from the bottom of my heart for your unwavering dedication and support. Let us continue our journey together, empowering the future generation of Haiti.

With sincere thanks,

Marie F. Richemond
Founder, Massillon Foundation Education
